

CLASSIC CLEAN PREPARATION

In order to best service our clients, we do ask for some light prep work prior to our arrival. Our goal is to provide you with the best housecleaning service possible. By following the list, this ensures we have the time to do more cleaning than picking up and organizing.

- Put any pets away in a safe place
- Set the home to a comfortable temperature to work in
- Remove any clutter that will interfere with our work
- Have as little foot traffic come through areas we will work in
- Move any furniture greater than 30 pounds.

Having counters and floors cleared allows us to reach corners and address areas that are typically missed in daily chores.

We appreciate your cooperation and thank you for utilizing our services!
